# Marcus Ocaña

## Storyboard Artist

Photoshop, Procreate, Blender, Adobe Premier, After Effects, Storyboard Pro and Wacom Cintiq

**Education:** BFA in Animation, Academy of Art University

### **Experience:**

**October 2018 - Current**

**Storyboard Artist**

StoryboardArt, Mentorship

Worked on multiple projects designed to improve my storyboarding skills. Everything from Comedy scenes, Dramatic scenes, Action scenes and 3D boards.

**February 2019**

**Storyboard Artist**

LAtelier Marketing, Commercial

Created 35 clean commercial boards while working with art director. Complete revisions in a timely manner.

**July 2018 - August 2018**

**Storyboard Artist**

Last Man on Earth, Short Film

Responsible for board 1000+ board for entire script. Storyboard special effects and action sequences. Helped problem solve story issues and worked directly with the director.

**April 2018**

**Storyboard Artist**

Hipster Romance, Short Film

Created 8 specific beat boards the director wanted to use for inspiration of how he was going to shoot the film. Went above what the director asked for by boarding out the entire script in addition to giving him the beat boards.

**April 2018 – May 2018**

**Storyboard Artist**

LAtelier Marketing, Commercials

Created 60+ clean commercial boards in two days and presented in the format the client requested for first commercial and created 29 commercial boards in same day as requested in the clean and professional format the client requested for second commercial.

**March 2018**

**Storyboard Artist**

Dan Winters Photography, Magazine Ad

Responsible for 10 conceptual storyboards in 1 Day. Worked closely with the photographer to bring his ideas to life.

**October 2017**

**Storyboard Artist**

LAtelier Marketing, Commercial

Responsible for Storyboarding 20 commercial storyboards in 1 Day. Presented the final boards in the requested format the client requested.
